

New Leaf Distributing

Flyer Printing Request Form

If you want New Leaf to print your flyers, the costs are as follows:

Types of Printing	Per 1,500
▪ Full-color, both sides.....	\$720
▪ Full-color one side, black and white other side.....	\$580
▪ Full-color, one side only.....	\$480
▪ Black & white, one side only.....	\$280
▪ Black & white, both sides.....	\$330

Basic steps to getting your flyer printed:

1. Whether you are having your flyer printed yourself or printed by New Leaf, you must have the flyer design and content approved first. You can fax it, with a cover sheet, to 770-944-2313. Or you can e-mail it to ads@newleaf-dist.com as a 300 dpi, jpg, or pdf file.
2. Once approved, you need to tell us which type of printing you want.
3. We need a 300 dpi jpg or pdf with all text and images embedded.
It must be one piece of art. We do not accept files that link to other files.
We accept only the file types listed above.
4. You need to send payment in advance before we can send your flyer to the printer.
(Remember that in addition to the printing cost, there is a \$100.00 charge for distribution of the flyers.)
5. When your printed flyers arrive in our warehouse, we mail you several copies - so you know that we have received them and you can see the final results.
